ALGY'S HALLOWEEN MENU

As October is a particularly busy time for us at Algy's, we are running a specialist halloween menu with dishes a little different to our usual menu. This is to help ensure we can still operate at the same high standards and quality as the rest of the year, even with increased demand. We hope you enjoy these dishes, and maybe some of them will stay as more permanent fixtures!

We will return to our regular menu from the 1st of November. Thank you for your consideration and understanding during this busy time, and enjoy the seasonal treats!
