LOCALLY SOURCED PRODUCE

We always aim to source as much of our produce as possible seasonally and locally. We source our sausages and sausage meat from *Swannington Farm To Fork*, our bread comes from Fakenham, crabs from Willie Weston at Blakeney and Copy's Cloud cheese from Walsingham. The *Fruitpig* black pudding is the first black pudding made entirely from UK animal products.

We aim to reduce waste in both our Farm Shop & Café through making to order, and using wonky veg in our kitchen. You can also find us on *Too Good To Go*!
